NO. 29

July 30th, 2009

Sheriff White,

On behalf of the Fraternal Order of Police, Lodge 29 Labor Units, we are requesting to meet with you and discuss the current working relationship we have. Certainly the past has set up certain roadblocks which may have hindered present and future communication between yourself and the FOP membership.

In an effort to re-establish a productive level of communications and cooperative efforts, we would like to meet with you and discuss the issues which may have placed us at odds. In doing so, we hope to leave the past in the past and initiate a new working relationship between yourself and the FOP membership.

We believe the FOP membership can provide positive assistance to you and your staff regarding matters which affect Pasco County citizens and agency members. We can provide valuable insight from the membership on major decisions facing our growing county. Clearly our mutual cooperation would benefit the citizens of Pasco, the agency members, your staff and the FOP.

Sheriff White, please receive this letter as our sincere desire to work with you and your staff in present and future endeavors. The FOP Board Members are looking forward to meeting with you and resolving any issues which may have created a roadblock. Many of these issues we believe are based upon misunderstandings and can be worked through in a positive manner.

Please feel free to contact either of us to set up this meeting. We would be able to arrange our schedules to accommodate the date and time you determine.

Respectfully,

Bob Mitchell
Gary Kling
